SUMMARY

Software Engineering student at ASTU specializing in Backend Development (Python, Django) and C++. ALX-certified developer with experience building scalable APIs, AI-integrated systems, and secure backend architectures. Committed to clean code and performance optimization.

EDUCATION

B.Sc. in Software Engineering
Adama Science and Technology University (ASTU)
2023 – Present | Adama, Oromia

Back-End Web Development Specialization
ALX Africa
2023 – 2024

TECHNICAL SKILLS

Languages
Python (Advanced), JavaScript (intermediate), C++, HTML, CSS

Frameworks & Tools
Django, Django REST Framework (DRF), Node.js, Git, PostgreSQL, SQLite, Docker

Specializations

- RESTful APIs, JWT Authentication, System Architecture, Database Management

HONORS & ACHIEVEMENTS

ALX Professional Foundation Certification (Project Management & Teamwork)
08/2024

High School Graduation with Great Distinction (91.39% Average)
2023

PROJECTS

ASTU Smart Complaint & Issue Tracking System
Lead Developer
03/2026 – 05/2026

- Engineered RESTful APIs using Django and DRF with JWT Authentication and RBAC for secure data access.
- Integrated AI-driven chatbot logic and automated audit trails to ensure real-time ticket transparency.
- Managed full deployment on Render and documented the system using Swagger/OpenAPI.

CSEC ASTU (External Community Project)
Backend Developer
04/2026 – 05/2026

- Developed a production-ready E-commerce platform backend using TypeScript and Node.js.

- Optimized data handling for product catalogs and secure transaction logic.

Personal Web Projects, Django, SQLite/PostgreSQL, Git

Backend Developer

08/2025 – 05/2026

- Attendance Management System: Developed a full-stack system with automated records and role-based dashboards.
- Habit Tracking API: Built a CRUD-based tracker using Django ORM for high-performance data persistence.
- Security Standards: Implemented secure session management and followed DRY principles across all builds

LEADERSHIP & PROFESSIONAL EXPERIENCE

Ethiopian Space Science Society

Member

08/2020 – Present

- Engage in satellite technology seminars and contribute to community outreach for space science education.

Astronomy Club (St. John Baptist De La Salle Catholic School)

Founder & President

09/2022 – 06/2023 | Addis Ababa

- Established the school's first astronomy club, managing logistics and growth for 25+ active members.

The Physics Times

Volunteer Content Manager

01/2020 – 12/2022

- Managed digital publishing operations and translated complex scientific concepts into accessible technical articles.
